

風格：產生進擊的巨人風格，有建築物被破壞的景象，帶著比較恐怖的氛圍。

輸入：

A surreal and intense anime scene in the style of Attack on Titan: a colossal giant awkwardly sitting on a tiny carousel horse in a ruined amusement park. The atmosphere is eerie and cinematic, with broken rides, abandoned stalls, and dramatic lighting. The giant's expression is strangely calm, adding to the unsettling contrast.

輸入：

A surreal and cinematic anime scene in the style of Attack on Titan: a colossal giant sitting inside a natural history museum, casually eating a chocolate cookie. Around the giant are towering dinosaur skeletons, some broken from the giant's size. The lighting is dramatic, with shadows cast across fossils and shattered glass. The giant's calm expression contrasts with the eerie, ruined environment.
